

Welcome to Accessible Supervised
Visitation Services in Erie & Niagara Counties
Therapeutic and Non-Therapeutic Options Available

Family STAR PASS **(Parent Access Supervision Services)**

We work with families to assure that children have safe contact with their parent (or other family member) without conflict and under the guidance of a trained professional.

716-639-3030

We Provide Families:

- On-site visitation with trained, highly skilled case workers who monitor all parent-child interactions.
- Fully and semi-supervised visits in our comfortable meeting rooms.
- Additional access to a bright, child-friendly observation room separated by a one-way mirror.
- Parking access, stringent safety protocols and separate entrances.
- Affordable hourly services and cost-effective packages available for multiple visits.
